Michelle,
It was really in
fun having you in
marriage of family. You
are a really nice and caring
person and I mean that. You
really listen to me when I had
something to say, and that is more than
any one has done for me. Thanks a lot
and have one great summer. Your friend
Jean SH2-7218

Michelle,

Another year's gone
by, but this time we're gonna

having you in class. You
really a sweet and sexy
person. So bad we didn't
get to know each other better.
Well maybe next year, or
over the summer if I'm
lucky stay your real
beautiful self.

SPIRIT

OVHS

Homecoming Court: Queen Michelle Board, Princesses Dawn Marie Martinez, Andrea Zavala, Trisha Takido, and Nicole Fresca.

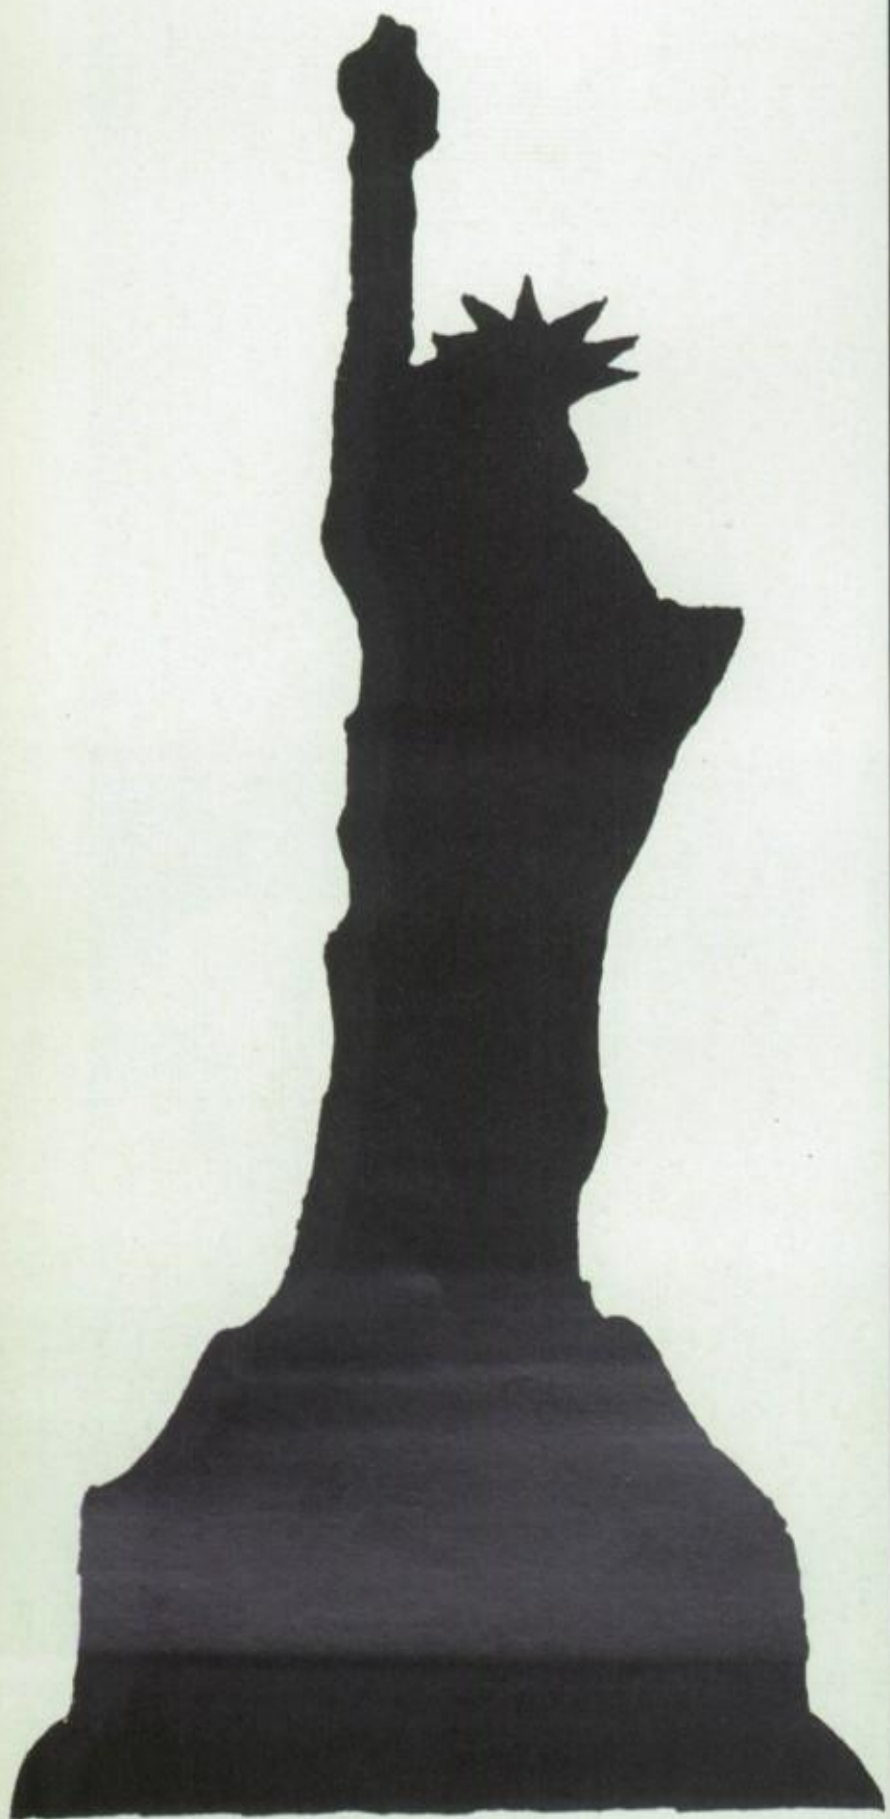

The Ocean View Seahawks showed great enthusiasm during spirit week. Students showed their spirit by dressing up in various costumes that represented this year's theme, (It's A Small World).

The tension of half time built as the court Michele Board, Nicole Fresca, Dawn Marie Martinez, Trisha Takido, and Andrea Zarvala, anxiously awaited the opening of the envelope containing the name of this year's Homecoming Queen. Michele Board was crowned by our reigning queen Kellie Bodlovich.

The spirit of the Seahawks was at its greatest as we defeated the Huntington Oilers. We won with a proud score of 10-7.

Executive Board 1985-86

The 1985-86 Executive Board has gone a long way since leadership camp in Santa Barbara this past summer. This year's executive board consists of A.S.B. President Trisha Takido, who plays the largest role on the board. She ran the meetings and oversaw all activities going on at Ocean View. The A.S.B. Vice President, Brett Johnson, was in charge of elections, and ran the meeting when the President wasn't present. The Senior Class President, Nicol Fresca, was in charge of Homecoming, Powder Puff, graduation, and senior class meetings. Junior Class President was Akemi Royer; Akemi oversaw the preparations for prom and all Junior fundraisers. Both the Sophomore Class President, Tommy Dawes, and Freshman President, Walter Woodworth, ran class meetings and organized fundraisers for their class.

The Board also consists of commissioners. Kerry Yoshida, our Commissioner of Organizations, had club days and oversaw the various fundraisers on campus. The Commissioner of Communications, is Susie Gordon; Susie is our own daily announcer over the P.A. system and is also in charge of keeping up the marquee. The Commissioner of Education this year was Michele Board. Michele attended bi-monthly school board meetings and reported many proceedings that needed to be attended to. The Commissioner of Activities this year was Dawn Martinez, who was a major asset to all activities here at OV. Mara Woodworth was this year's Commissioner of School and Community Relations. Mara organized the teacher's secret pals, and movements to improve the school. This year we split the Commissioner of Athletics into two parts — boys and girls. Our commissioner of pep during the Fall season was Gary Mathany who really got the students and players fired up. This year's boys' Athletic Commissioner was Shelley Straight. Shelley helped with the organization of pep rallies and gave recognition to the athletes. Kelly Lester was our Commissioner of Girls' Athletics this year. She helped organize the pep rallies as well as giving recognition to our female athletes.

In addition we have our A.S.B. Secretary, Teresa Sengrey, and our Treasurer Karina Santos. Teresa was in charge of taking and posting the minutes, while Karina was in charge of all our finances.

Val Miller was our Student Senate Representative. The Chairperson's activities were to organize a variety show and to get the whole student body active in government.

The head of A.S.B. is our very own Mr. John Webb. He oversees all the Ocean View happenings and has done great in this, his fourth year on the job.

HALLOWEEN

Typical day at Ocean View

"BOO!"

The coming of October 26th brought the excitement of Halloween to Ocean View by having our first Masquerade Dance. Many enjoyed the evening, dancing the night away to their favorite tunes. But the chills and thrills didn't stop there. October 31st was the day when various monsters, ghouls and outrageous creeps were spotted lurking around the campus. At lunchtime a costume contest took place where students competed for prizes.

THEATRE ARTS

THEATRE ARTS: FALL SEMESTER

Our advanced theatre students have been busy. They performed three one-act plays, *JUVE*, *KING OF THE CASTLE*, and *INFANCY*, with each group having three performances. They also took selections from *FREE TO BE YOU AND ME* on to local schools as a Children's Theatre performance.

For public consumption, Theatre Arts students presented Neil Simon's *CALIFORNIA SUITE* to sell out crowds, Nov. 21, 22, and 23. Right after Christmas vacation, the advanced group swings into action again, performing mime around the campus and at various events.

FALL SEMESTER

POWDER-PUFF

The 1985 Powder-Puff game was held at the Westminster Stadium on December 10th. Where the Juniors and Seniors battled for victory.

The defeated Juniors of last year returned with the determination that they would be victorious winners for this year.

The 1985 Juniors were full of spirit and determination, yet they didn't realize how hard the game was going to be. The Juniors found it hard because of the large turnout of girls on this year's team.

Both teams played a great game and showed a lot of spirit and sportsmanship. Even though, both teams couldn't have won, both teams had a lot of fun. Congratulations Seniors on the victory 37-6!

GAMES OF GAMES

Game of Games, is a program sponsored by Cal-Teens from O.V.H.S and "Friends" from H.B.H.S. The objective of the production is to demonstrate that teens can have fun without drinking and to highlight the differences in all of us. Sam Perricone and Dave Chambers did a very good job in not only directing the performance but starring in it as well.

A dance with Van Johnson, a D-J from everyone's favorite radio station KROQ, followed the show.

2. Sam and Jackie not agreeing.
3. There they are again, Sam and Jackie.

O.V.H.S IS HIGH ON SPIRIT

O.V.H.S. is high on spirit and it shows. All the people who participate in our pep rallies get the adrenalin flowing. Our Yell and Songleaders performed stimulating routines and entertained the crowd. Drill and Flag teams also performed and kept up the O.V. spirit. Class competitions got the kids involved as they did various activities, such as the Limbo contest. All this spirit gave the teams "GO POWER" to go out and do their ultimate best. Thanks Seahawks for all your support.

QUEEN OF COURTS

Ocean View once again had its traditional Queen of Courts ceremony. It highlighted our winning basketball season, and was a big success. During halftime in our game against Westminster High, the crowning of King and Queen took place. Earlier in a pep rally during the day, our underclassmen royalty was established. The freshman nominees for princess were Shannon Chancy, Cassie Smith, and Erin Stansbury. The princess was Shannon Chancy. Freshman nominees for prince were D.C. Andrews, Mike Fitzgerald, Mike Frohn, Robby Haugen, and Loren Stassort. The winner was D.C. Andrews. For sophomore princess, Trisha Cook, Michelle Hansen and Jennifer Mueller were nominated. The princess was Trisha Cook. Sophomore prince nominees were Marcello Danze, Tom Dawes, and Gerry Santos. Marcello Danze was voted prince. Junior princess nominees were Krystal Kowalczyk, Kristen Twedt, and Alisha Watson. The princess was Kristen Twedt. For junior prince Jim Anderson, Geoff Graves, Steve Harris, and Todd Pickard were nominated. Jim Anderson was crowned prince. The nominees for senior queen were Caryn Ainsworth, Stephanie Correnti, Dana Douty, Julie Hounsell, and Terri Zanelli. The king nominees were Jeff Darling, Brett Johnson, Tony Panzica, Steve Treskes, and Peter Tucker. As the crowning was to take place, jester Steve Hoffman approached the stage and announced that the new king and queen of the 1986 King and Queen of Courts was Julie Hounsell and Jeff Darling. The joyous event was continued as we defeated Westminster. After the game the Queen of Courts dance was held in the commons.

LOVE BLOSSOMS AT THE SPRING FLING

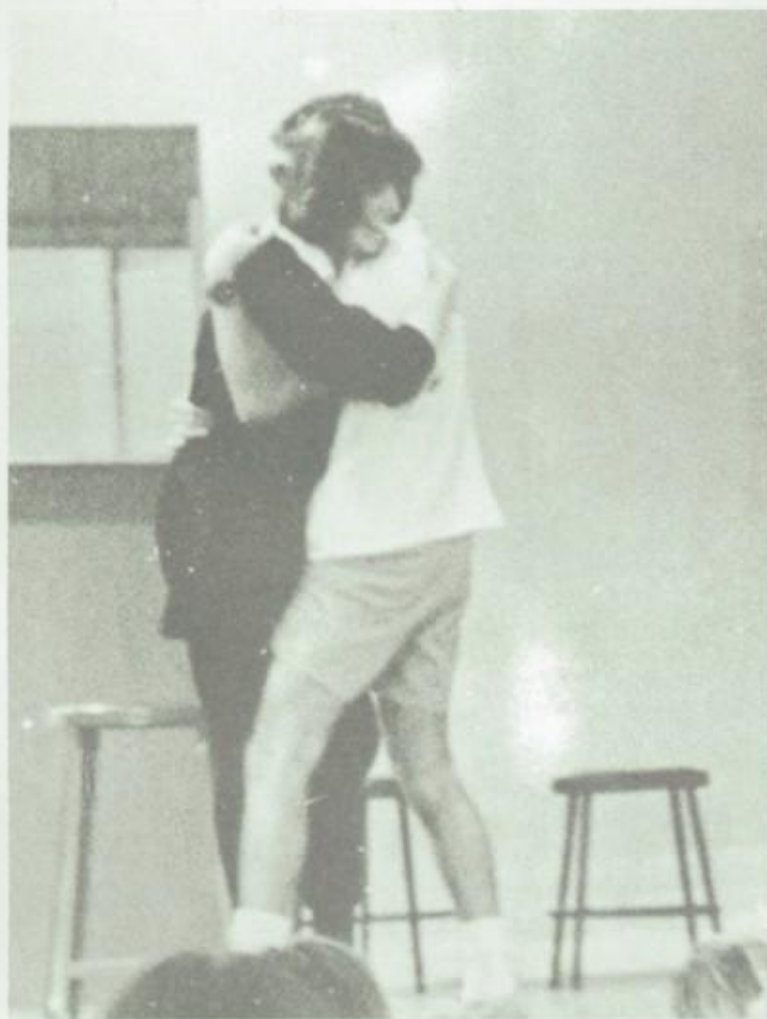

Hosted at the Huntington Beach Inn, the 1986 Spring Fling Dance held as much romance and excitement as most of the bigger dances. The D.J. played a variety of popular dance songs as well as a number of slow songs that brought couples head-over-heels onto the dance floor. The night lasted from 9 p.m. to 1 a.m. and although it wasn't the greatest turnout, the evening was pleasant and will hold memories for many couples.

Starting out to a great year, the 1985-86 Drill Team received a "superior" rating on their well exhibited performance at camp, at the U.C. Irvine Campus. This year's team consisted of mostly juniors, with only a few seniors, making a young and inexperienced team. This, however, didn't keep them from showing their school spirit or from taking high placings from many competitions. All of their hard work and energy really paid off.

The O.V. Drill Team led by captain Sally Choi, co-captains Alisha Watson and Denise Roach, and lieutenant Andrea Maue, would like to give special thanks to Jeanne Klecker, the assistant advisor, who is most of all a dearly loved and greatly appreciated friend of the entire O.V. team.

The 1985-1986 flag team got off to a great start this year by placing 4th at the Santa Barbara camp competition this past summer. They also received the friendship award along with a well deserved spirit stick. Moving into the year, the flag team has placed 2nd in both of the field competitions they have attended so far! They still plan on attending many more camps and competitions. The team is doing an outstanding job this year with high spirits and enthusiasm which has made them a very successful and dedicated team. The squad is led by captain — Lisa Weisman and lieutenants — Sheri Kender, Leslie Moskowitz, and Chrissy Nigrelli.

The Ocean View High School Band had a really great year. They performed at all the home football games, Disneyland, Dodger Stadium, basketball games, and three field competitions.

At La Habra, their first competition, they took the Sweepstakes award, and placed well in the two other competitions they participated in. As a concert band, they performed at the Christmas Concert, Music Festivals, and the Spring Concert. This year's band certainly contributed enormously to our school spirit.

OV Football — Varsity

The 1985 Ocean View football team found itself with its most demanding schedule ever. Seven of Ocean View's opponents qualified for the CIF play-offs with Westminster, Marina, and Edison three of the final four in the Big Five Conference play-offs. This year's team played every game tough losing a disappointing eight games. Three of those losses were by a total of twelve points. A highlight of the year was the Homecoming victory over rival — Huntington Beach. Coach Gaytan's Seahawks seem to be over the hump in turning Ocean View football into a competitive program.

Outstanding Seniors for the Seahawks were Jeff Darling — All Sunset League, Sean Fleming — All Sunset League, Marc Ohm — All Sunset League, Russel Trounce — All Sunset League, and Peter Tucker — All Sunset League. The outlook for the 1986 season is very bright with returning juniors Phil Boxen, Bill Grace, Phil Meyer, Roger Rios, Larri Stuppy, Dezi Arnez, Hazely, and Kurt Szuba, along with sophomores John Beaubien, Matt Bertram, Shaka Delaney, and Tracy Seloe.

RIDING HIGH AND HANGIN- LOW

The 1985-86 season witnessed the emergence of Ocean View as a top team in surf competition. We compiled our best record ever, finishing in a tie for second in the Sunset League (3 wins, 2 losses) and in a tie for first in the Orange League (8 wins, 1 loss).

Our top surfers also competed in the NSSA Team Season competitions held from San Diego to Ventura, always finishing in the top five and earning a place in the playoffs that will be held in May.

Our team had more talent and depth this year than ever before. Our top surfers were Captain; Tim Bruner, Bill Lloyd, Mike Ryan, Erik Bruner, Matt Ryan, and Robby Haugen. In addition, Ocean View has one of the top kneeriders: Phil West.

For the first time in history, Ocean View had three girl surfers: Chrissy Cullen, Sally O'Neil, and Donna Hayward. These three captured many points for league competitions.

A new division arose in surfing competition this year: body surfing (also called boogie boarding). Robby Haugen dominated in almost every contest.

O.V. has high hopes for next year's team. Although we'll be losing some valuable seniors, most of the team is very young, including such freshmen standouts as Erik Bruner, Matt Ryan, Robby Haugen, Mike Gomez, and Shawn Cradick. Without a doubt, the Seahawks will be a surfing power for the years to come.

CROSS-COUNTRY

GIRLS

The girls' cross-country team increased in numbers this year which has aided in a total team effort in our meets. We had two full teams for all dual meets and invitational. The Varsity team was led by returning runners Akemi Royer, Shannon and Kathy Karpel, and Erica Whistler. Strong support came from Debbie O'Brien, Maureen Rauls and Danielle Martinez, all freshmen showing much potential. A successful season seems to be a promise that should be fulfilled with a strong chance at CIF. All varsity team members look forward to another year of a cohesive unit.

BOYS

The season started with the loss of two top varsity runners, Haissam Sabra and Brian Rauls due to injury. By the fourth week of the season, Haissam was back running again, and they had their first victory against Westminster Lions. Some of their top runners consisted of Freshman, Danny Kutch, who placed fourth in the Dana Hills Invitational. Joshua Smith also had a strong season, and a promising future is expected from these two.

The J.V. and Frosh-Soph teams were not victorious this season due to a lack of runners. Coming out for the team, Senior Brad Peterson and Junior Jim Park did their best to hold the team together. Next year's season looks promising because most of this year's runners will be returning for a stronger team next year.

The 1985/86 Seahawk Basketball Review

The 1985/86 Basketball Season for Ocean View High solidifies the motto "The Sunset's Best at Ocean View." With one of the most grueling schedules anywhere, the five Seahawk Teams compiled an outstanding 91-27 record. Winning 3 of 4 Sunset League Championships assures Ocean View of the potential to continue its well earned Championship Tradition on the hardwood.

More importantly, the Seahawks have continually been praised for the "class" they have shown throughout the year. The Varsity certainly left a great impression on the Arkansans, as they did with us. Our staff and players have worked hard and concentrated on playing the game and therefore have improved tremendously. We have seen new challenges to their character, mental toughness, physical endurance and emotional stability. Extremely proud we are and should be of these young men.

An interesting highlight to this season is the incredible "home" record for 1985/86. The parental and fan support ignited Ocean View in accomplishing a glossy 44-5 record at our own court. The Varsity (6-0), J.V. (10-0), Sunset Frosh (8-0) and Freshman Gold (10-0) were undefeated at home and the Sophomores (10-5) lost only 3 of 13 games. Since most of our home contests were not until the latter part of the season, the dramatic improvement of our teams this year is underscored. The dedication by the Coaches and their players have been exemplary.

God has blessed us with gifts of health, happiness, and various capabilities. He has granted us the environment to enjoy and develop those gifts. Congratulations to everyone who has worked to develop themselves and their team. It has proved to be unbeatable and we are thankful!!

JV BASKETBALL

The 1985-86 J.V. team, with a record of 24-0, was the first team in Ocean View history to go undefeated, on any level. Other highlights of their season were winning the O.V. J.V. Tourney, the South Lake Tahoe Tourney, and the Sierra High School Tourney. Several of the players received Sunset League honors: Todd — MVP; Jim Anderson, Doug Rice, and Geoff Graves — All-League; Steve Harris and Paul Honorable Mentions.

Coach Holmes commented that the team's unity on and off the court contributed to their success. He added, "They are enthusiastic players who love the game and have lots of pride for their school. They were a hard-working team and a great group of guys to coach."

This year's sophomore team had high expectations, but were unsure of them as well, as the season progressed, these expectations grew. The season started off on a fine note winning the Ocean View Sophomore Tournament. Dan Naulty and Marcelo Danze were named to the all-tourney team and Craig Rice was named M.V.P. of the tournament. This was the first time an O.V. sophomore team was entered in the O.V. J.V. tournament, but this team did not back away from the challenge. With an outstanding performance, they placed 6th in a 16 team tournament, with Mike Frohn being named to the all-tourney team. During Christmas vacation, the team took 2nd in the Edison tournament, so going into league play, hopes were high. This confidence helped carry the team to a 6-4 league record. The improvement of this team was tremendous and was shown by an overall record of 17-8. But wins and losses aside, this team developed confidence in themselves and I also believe they discovered some of the positive aspects of sports even if they did not achieve the results they desired. Finally, I wish to commend these young athletes on a very fine and productive season.

SUNSET FRESHMEN

Sunset Freshmen

The 1985/86 Sunset freshmen team, under the leadership of Coach Wayne Young, finished their season with a 17-7 overall record. They were first in the Sunset league. Other highlights of the season included their overtime victories over Fountain Valley and Edison. Individual honors were received by Todd Norman (All Tournament in Los Alamitos Tournament, Most valuable player of the sunset league.) John Moore and Ted Pelonis — All-League honors. Most valuable Player on the team: John Moore and Tim Pelonis, most improved was John Pruess. Coach Young commented, "The team did a good job pulling it together for league. Everyone contributed, it was an overall team effort."

FRESHMEN GOLD

1985/86 Freshman Gold
This years Freshman Gold team was a very rewarding season. Not only did they have a fine record of 13 wins and 8 losses, they showed great promise for the future. They excelled in the second half of the season by winning 10 of their last 13 games. They all played well as a team unit and showed they could all come together during the close games. The team was led by the strong inside play of Ed Saffer and Roger Taakas and also by James Newel who showed good shooting and passing ability. Yong Lewis, Omar Thomas, and David Keller were strong defensive players. The team always showed great enthusiasm and with continued hard work they can only get better.

Another banner year is underway at Ocean View. With three returning starters, the Seahawks will figure prominently in the Sunset League race as well as the CIF playoffs. Leading the way is four year starting point guard Dana Doughty. Another outstanding player is Trina Vlachos. Both Trina and Dana have been acknowledged as being two of the top twenty players in Orange County. Teri Zanelli with great lateral movement, spearheads our full court press. Probably the most improved starter this year is Shelley Straight. She has become a force at both ends of the court. Dalene Lawson will certainly catch some eyes with her tenacious defense and powerful moves to the bucket. "super subs." Julie Hounsell has ability and height to play both wing and post. Cynthina Hurzeler is a fine all around athlete who thrives on competition. Christa Lawson, an adept ball handler can fill in admirably at wing or point. Super Soph., Gretchen Bock. Probably the finest athlete on the team. With such quick feet we look forward to a productive future.

This year's wrestling team has a lot to be proud of. Consisting mainly of sophomores and juniors, they have placed in the top ten at several tournaments. In these tournaments a few individuals on the team have placed in the top three for their class; Phil Meyer, 191 lbs., placed first at the Estancia and second at the El Toro Tournament, and Kurt Szuba, 151 lbs., placed second at San Clemente. Several other wrestlers placed in the top six. The team has had a busy season this year and, according to Coach Nicolopoulos, each wrestler has contributed his share of hard work and shown great improvement. They have come up against some tough competition in league and have always wrestled well. Coach "Nick" is proud of this year's team and feels that once the year is over they can look back on it knowing they gave their best.

GOLF

Our "Driving Force" will be tough to beat according to head Coach Ellerman. "We have been building this team for the past 4 years and this year will be our best," says Ellerman.

With strong returning letterman Paul Duarte (Captain), Ken Schiater, Steve Wright, Jason Shirley, Travis Smith, and Vivian Overturf, we have years of experience to get the job accomplished. New to the "Force" is Mike Holmes (freshman) who has already made his mark, earning the third spot on the Varsity Team.

"Pre Season statistics of 6 wins, no losses and *1 tie certainly seem to indicate a spot in CIF for our team," says Assistant Coach J.D. Culbertson.

Backing up the Varsity starters are a strong group of dedicated players who are the future of OV's golf team. Among them are Terry Bailey, Jeff Daniels, Jim Daniels, Doug Enroth, John Gasowski, Eric Grooves, Peter Overhue, Josh Smith, Brett Stern, Steve Stratten, Shawn Wedworth, Erik Wilke, and Keith Wilson.

The whole team is dedicated to each other and their coaches. With records like they've had, it looks like O.V. will make a name for itself in golf.

Coach Ellerman even thinks some of his players will be big names some day. Once again O.V. produces top goods.

Good Luck Golf Team!

MECHA

This was the debut of the O.V.H.S. Mecha Club. This club consisted of many members. The reason for this club was to arouse the interest's of students with Hispanic backgrounds to learn more about their culture. This year's President Fernando put lots of time and effort into making this club a success.

Cal-Teen is in its third year of helping other students prevent drinking and driving. The co-presidents are Trisha Takido and Dawn Martinez with Mrs. Kanode as the advisor. This year they have participated in after school workshops to learn about self-esteem, taking active charge of your life, and ways to peer counsel. With their involvement in Peer Assistance League (PAL) they reached every freshman class with their "Staying Alive" presentation and discussion. In the spring they will attend conferences for the state of California on how to "Keep friendship alive with teenwork '86." These students have shown that everyone needs to believe in themselves to help others they care about.

DANCE

Picture #1: Dance performs at the pep assembly.

Picture #3: Seahawk Gold at SRO.

Picture #4: RRRRIIPPPP!!!

The Performance Dance class is divided into Varsity, J.V. and Novice teams. Students audition for enrollment, then work to develop routines to perform on campus and for community functions. Last July, the Varsity team performed on board the S.S. Azure Seas Cruise ship.

Our dancers work hard to develop both their own performance techniques and their skills as choreographers.

The California Scholarship Federation is an organization dedicated to providing encouragement for students to pursue educational and personal development. From service projects to bowl-a-thons, this group brings value and sense of participation to the high school career. It is the only group on campus with academic admissions requirements, and is oriented towards the college-bound student. Active members have a chance to earn scholarships for involvement in service projects.

They held active meetings all throughout the year, planning fiestas, fund raisers, and other activities.

KEYWANETTES

The Keywanette club is a service organization for girls, grades 9, 10, 11, and 12. Sponsored by the Kiwanis Club of Huntington Beach, an international organization for businessmen, Keywanettes is the largest and most charitable club at Ocean View. Not only do the members provide services to the high school, such as ushering at school programs, but they also provide services to the local community by doing jobs for needy senior citizens, sponsoring blood drives, collecting canned food at Thanksgiving, and collecting toys for needy children at Christmas.

FBLA

The FBLA (Future business leaders of America), is a nationwide organization that originated in college and has intergrated into high schools across the country. Ocean View's charter consists of forty members, five of-ficers, and is advised by Mrs. Doris Nelson.

The FBLA throughout the year has had a variety of fun-draising events to raise the money needed for the annual events. This year, the FBLA also has participated in the can food and toy drives dur-ing the Thanksgiving and Christmas holidays (which helped feed hundreds of needy families in Huntington Beach) as well as donating one hundred dollars to a mis-sion in Los Angeles.

Each year the FBLA has participated in Operation Mickey Mouse, where each member takes an under-privileged child to Disneyland for a day. The expenses are paid by the FBLA funds.

This year's Key Club has been very active. We continued our Project Cherish participation and supported two new programs: Project Concern and Save The Children. We also supported the Special Olympics. An all boys service organization, Key Club also had festivities at Halloween and at Christmas with Keywanettes from other schools. Capping the year off was the Key Club International Convention in April. Next years club promises a growth in member's quantity, dedication, and fun.

What a privilege it is to have our yearbook's 10th anniversary coincide with the 100th birthday of the Statue of Liberty. The statue, which was originally named "Liberty Enlightening the World," has been a symbol of freedom, hope, and opportunity for almost a century.

How fortunate we are to live in a land where each individual can exercise freedom of choice in so many ways, including education. There are many paths you may pursue after high school, and I wish each of you well in your endeavors.

To our 1986 graduates, I would like to extend my congratulations and very best wishes for the future.

Sincerely,

John Myers, Principal
